

## December 2015 Monthly News Bulletin

Dear Enroll-HD Investigators and Site Staff,

An Enroll-HD progress update over the past month:

### Latest Enroll-HD data release and website update

- The **second coded Enroll-HD periodic dataset will be available on the [Enroll-HD website](#) on December 10<sup>th</sup>** to any researcher employed at a recognized research institution or company. You can learn more about [the types of data and biosamples that are available](#) and the simple and straightforward [process to access the Enroll-HD dataset and biosamples](#). If you're a principal investigator at an Enroll-HD clinical site then your login details for the EDC system will also allow you to access the periodic dataset.
- Also on the Enroll-HD website you can find lots of information about how the study is structured and the people who keep it running, from site staff to participants to clinicians to researchers. Please share the link with your colleagues and your participants and check back often for new articles, updates and announcements.
- Please also check that the information listed on the website for your site is current and correct; please email any corrections to [EnrollHD@quintiles.com](mailto:EnrollHD@quintiles.com)
