

## NAVIGATOR RESEARCH PROGRAM APPLICATION FOR FUNDING 2025 COMPETITION

---

### Timeline

- LOI due: April 30, 2025 (5:00 PM ET)
- Full proposal, if requested, due: June 4, 2025 (3:00 PM ET)
- Announcement of decisions: End of August, 2024
- Funding may commence: September 1, 2025

Applicants must use this format to apply to the NAVIGATOR Research Program. Send one completed application form, with necessary signatures to [research@huntingtonsociety.ca](mailto:research@huntingtonsociety.ca). **Applications for the 2025 Competition must be received no later than 3:00 PM (ET) on June 4, 2025.** Late and/or incomplete applications will not be accepted. Applications received by this deadline will be reviewed and the Society will strive to provide a formal response by the end of August, 2025.

**HUNTINGTON SOCIETY OF CANADA**  
[research@huntingtonsociety.ca](mailto:research@huntingtonsociety.ca)

Questions regarding this application may be directed to [research@huntingtonsociety.ca](mailto:research@huntingtonsociety.ca).

### A. INVESTIGATORS

1. Please provide the information requested below for the **Principal Investigator** and for any and all **Co-Investigator(s)**:

	Principal Investigator	Co-Investigator(s)	Co-Investigator(s)
Name			
Position, Faculty/Department			
Institution			
Name:			
Mailing Address			
Telephone Number			
Fax Number			
E-Mail Address			

2. A Comprehensive CV of the PI and Co-Investigators should be completed using the NIH Biosketch format.

<https://grants.nih.gov/grants/forms/biosketch.htm>

The CV should include:

- Education and Training (include Institution, Location, Degree, Years of Study, Field of Study)
- Positions and Employment (Title, Organization, Location, Years Held)
- Other Related Experience and Professional Memberships
- Honours Received
- Selected Peer-Reviewed Publications (in chronological order)

3. For both the **Principal Investigator** and any and all **Co-Investigator(s)**, append a list of all grants currently held or applied for, including the budget and project summary pages. Label this information Appendix B1, B2, etc. respectively.

## B. PROJECT INFORMATION

Title of the Project			
Term of the Project		{ } 1 year	{ } 2 years
Funding Requested (not to exceed CDN\$75K per year)		1 <sup>st</sup> year:	
		2 <sup>nd</sup> year:	
		Total:	
Indicate whether the proposed research involves:		Yes	No
	Human Experimentation		
	Animal Experimentation		
	Biohazardous Materials		
<b><i>Copies of all certifications and approvals must be received by the Huntington Society of Canada prior to the release of funding</i></b>			
If the proposed research involves the use of animals, the principal investigator must sign below to indicate compliance with the guidelines of the Canadian Council on Animal Care.			
Signature of principal investigator			
Name(s) of any external reviewers to whom the principal investigator would prefer that the application not be sent.			
Name, address, and phone number of financial officer at your institution:			
	Name		
	Address		
	City		

Province / Postal Code	
Phone Number	
E-Mail	

**C. RESEARCH PROPOSAL**

Append an outline of the research project for which you are seeking funding labeled Appendix C. For one (1) year projects, the description of the research proposal must not exceed four (4) pages in length, exclusive of references and figures. Two (2) year projects may go up to five (5) pages. The proposal must clearly identify:

1. A Lay Summary of the proposal;
2. The aims and goals of the project, and its duration;
3. The specific direction(s) to be pursued;
4. The direct and immediate relevance of the work proposed to Huntington disease (i.e., improved understanding of pathogenic mechanisms; significance with respect to the development of new treatments);
5. The scientific excellence of the research proposal; the potential relevance of the work proposed to other neurodegenerative disorders;
6. The specific rationale for support, including financial reasons (i.e., how will support enable the laboratory to pursue research not funded from other sources, and also contribute to the emergence of special areas of knowledge and expertise within the international framework for HD research);
7. The laboratory’s established research interests, areas of special expertise, and resources.

**D. LETTERS OF COLLABORATION**

Where applicable, append letters of collaboration in support of the application. Label these documents Appendix D1, D2, etc.

## E. PROJECT BUDGET

The allowable expenditure categories are shown below. Funds may not be allocated to institutional overheads, or construction. The Huntington Society of Canada does not fund indirect costs, overhead or institutional support costs.

ITEM	AMOUNT REQUESTED YEAR 1	AMOUNT REQUESTED YEAR 2
<b>1. Personnel</b>		
a. Technicians		
b. Other personnel. Specify:		
<b>2. Supplies</b>		
a. Expendables		
b. Animals		
c. Services		
d. Other (specify)		
<b>3. Equipment</b>		
Specify (not to exceed \$5,000 total):		
<b>4. Travel</b>		
Specify (not to exceed \$3,000 total):		
<b>5. Knowledge Translation</b>		
Specify (not to exceed \$3,000 total):		
<b>TOTAL</b>		

## F. UNDERTAKINGS

<b>1. Principal Investigator</b>	I undertake that the information provided in this application is accurate, and that I will abide by the terms of funding through the NAVIGATOR Research Program.		
Signature of Principal Investigator		Date	
<b>2. Department/Institution</b>	We undertake that this application for funding through the Huntington Society of Canada's NAVIGATOR Research Program is submitted with the approval of the department and the institution; and that the institution will accept and disburse funds in accordance with the terms of the award.		
	<b>Department Head</b>	<b>Financial Officer</b>	
Name			
Address			
Signature			
Date			

Send one completed application form, with necessary signatures, to [research@huntingtonsociety.ca](mailto:research@huntingtonsociety.ca).

**Applications for the 2025 competition must be received no later than 3:00 PM ET June 4, 2025.**

Late and/or incomplete applications will not be accepted.

Applications received by the deadline will be reviewed and the Society will strive to provide a formal response by the end of August, 2025.
