

Pizza Fundraiser Email Template

Hello [Name],

I hope you are doing well. I'm reaching out on behalf of the Huntington Society of Canada, a National not-for-profit organization that supports individuals and families living with and affected by Huntington disease (HD).

The reason I am reaching out today is to see if you would be interested in helping us run a Pizza Fundraiser on [insert date or approximate timeframe], that would help us raise funds and awareness for the HD community. We are open to anything you have in mind and would love to chat with you if you're available.

HD is often described as having symptoms of ALS, Parkinson's, schizophrenia and Alzheimer's, all at the same time. One in every 7,000 Canadians has HD and approximately one in every 5,500 is at-risk for developing the disease. Many more are touched by HD as a caregiver, family member, or friend. Currently, there is no meaningful treatment and no cure. But there is hope. We fund research for meaningful treatments and have several social workers across Canada that provide counselling and run support groups for anyone affected by HD in any way.

If I can provide any more information about HSC or HD in general, I'd be happy to answer any questions. Looking forward to connecting with you about this inquiry, thank you for your consideration!

Sincerely,

[Your name]
